Excel Business Broking Services

Dear Peter,

I am writing to let you know that we have settled in and all is going well with my recent purchase of Identicorp.

I wish to pass on my thanks to you and your organisation for the manner in which you managed the sale.

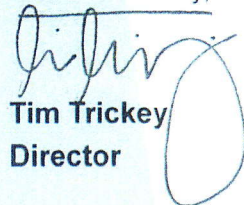

From our first meeting where we initially discussed the business I was extremely impressed with your approach.

Your organisations emphasis on confidentiality was thorough and the overall presentation from your knowledge of the business and industry through to the detail of the information made available through your business profile enabled me to evaluate the business in a timely and thorough fashion.

As you are aware we settled the deal in relatively quick fashion and your input and professionalism in communicating with me, the vendors and other various stakeholders through this process was crucial to this outcome being achieved.

I wish to thank you for your help and professionalism throughout the whole process

Yours sincerely,

Tim Trickey
